Building Eligibility

Pickerington Local (046896) - Fairfield County - 2024 - Consolidated - Rev 0 - Title I-A Improving Basic Programs

Go To

Please note: For your convenience, the Office of Federal Programs has pre-populated the Adjusted Enrollment, Low Income Student data and Community Eligibility Provision (CEP) data (for CEP participating schools) fields on the Building Eligibility page with data collected from the Office of Child Nutrition's **Claims Reimbursement and Reporting System (CRRS), not EMIS**. This was a one-time load for current fiscal year (2024) based on the October MR81 report. These data fields are editable, so adjustments can be made if needed. ([Building Eligibility Guidance](#))

[Save and View All Buildings \(opens new window\)](#)

There are **16** buildings. Displaying page: 1 of 2

If any buildings are using the Community Eligibility Provision (CEP), check here:

Please upload documents supporting changes made to building eligibility page, feeder pattern, and or composite score calculations. For previously served, enter prior year low-income. For rounding, feeder pattern, or composite score enter recalculated amount. If using composite score, must be applied to all buildings. Feeder pattern is only available for secondary schools. Supporting documents should not provide student identifiable information such as name, social security number, student ID's, etc. Systems generated summary reports by buildings, grade levels with enrollment and poverty level are recommended.
